

Welcome to this exciting journey!

MAMA Ventures, through the growth accelerator business program, works with SMEs and start-ups to streamline internal business processes for the success of the business.

It is with great pleasure that I invite you to be part of this training program that brings together a network of over 100 businesses to ignite your potential as a business leader in Kenya and the wider continent.

What?

MAMA Business Consulting Program is an intensive accelerator program that works with exceptional and promising start-ups and businesses that are creating top solutions to challenges faced in Africa. The goal is to help scale-ups based in Kenya to grow their businesses and build innovative products and services that improve people's lives.

Our services enable you to optimize your operations, identify and mitigate risks, and implement donor and specific country compliance policies and procedures.

Our detailed assessment of your current operations will help you improve efficiency and effectiveness of all the business units.

The operational assessment may include finance, administration, technology, governance, human resource and communication reviews.

Why join?

- Grow your business through commercial partnerships with potential investors and sponsors.
- Direct access to already successful business leaders in different fields.
- Exceptional mentorship (executive committee/external experts) tailored to your business through our curators
- Access to a global market for your product or service
- Business Strategy Consulting for your business
- Prestige Priority for Funding Opportunities
- Networking with like-minded individuals.

If you are looking to grow your idea, [apply](#) as soon as now.

Warm Regards,

Winnie Kitawa Wemo
